Amalgama Art extends an invitation our January 2023 **Salon Privé** in which we are excited to launch the works of a fascinating and prolific Peruvian artist: **Alma Laura**.

Born in Lima in 1949, Alma Laura moved to the UK at the young age of 19. In her early 20s, she took up her current painting practice in which she explores her own identity alongside themes of sexuality, race, the feminine, the body, the family, the imagined and the current. All from her own internal gaze.

We are proud to exhibiting Alma Laura's paintings for the first time in the UK.
